2. The Rights Granted

2.1 Subject to the exceptions under clause 2.2, and the conditions and reservations under clauses 2.3 to 2.10 below, the Licensor grants to You a worldwide, clear of any third party rights, non-exclusive, Non Commercial licence to Use the Resource within the META-SHARE network. This licence covers the copyright and the sui generis database right over the Resource and is an agreement between You and the Licensor for access to the Resources. For the purpose of this Licence, Use within the META-SHARE network is encompassing all acts under clause 1. i.

So you may, for example

- a. copy the Resource, create Derivatives or incorporate it into a Collective Work;
- b. extract and re-utilise of the whole or substantial parts of the Resource;
- c. copy Derivatives, or the Resource as incorporated in any Collective Work; and
- d. publish, perform or communicate the Resource and/or Derivatives and/or the Resource as incorporated in any Collective Work to anyone by any means and in any medium whether now known or created in the future.

2.2 However, this Licence does not allow you to:

- a. Use the Resource for any purpose other than research or in any way primarily intended for commercial advantage or payment; but exchange for other protected material without payment (whether by means of digital file-sharing or otherwise) is not to be taken to be so intended;
- b. impose any terms or any technological measures on the Resource or a Derivative, that alter or restrict the terms of this Licence or any rights granted under it or have the effect or intent of restricting the ability of any person to exercise those rights;
- c. sublicense the Resource; or
- d. subject the Resource to Derogatory Treatment.

2.3 You must, if you publish or distribute the Resource or any Derivative to anyone else in any way, give reasonable credit to the Original Author or owner of the sui generis database as prescribed in the Attribution Data.

These are important conditions of this Licence, and if you fail to comply with them you will be in material breach of its terms.

2.4 The Original Author asserts the right to be identified as the original author of the Work, as forming part of the Resource if applicable; but only as and when required by clause 2.3 above.

- a. include a copy of this Licence with it; and
- b. keep intact any copyright and sui generis database right notices for the Resource and notices that refer to this Licence.

These are important conditions of this Licence, and if you fail to comply with them you will be in material breach of its terms.

2.6 Each time You publish the Resource or any Derivative to anyone else within META-SHARE in any way, the Licensor offers to the recipient a licence to the Resource on the same terms and conditions as this Licence.

2.7 Any Derivative you create must be under a licence which is either one with the same terms and conditions as this Licence, or a later version of this Licence with the same Licence Elements as this Licence, or another META-SHARE licence with the same Licence Elements as this Licence (whether a licence specific to a particular jurisdiction or not), or a Compatible Licence. For the sake of this clause, “Compatible Licence” refers to the licences listed in the appendix attached to this Licence. Should the Licensee’s obligations under the Compatible Licence conflict with his/her obligations under this Licence, the obligations of the Compatible Licence shall prevail.

- e. all other rights not expressly granted by the Licensor are reserved.

2.9 This Licence does not affect any rights that You or anyone else may independently have under any applicable law (including fair dealing, fair use, or any other legally recognised limitation or exception to copyright infringement) to make any Use of this Resource.

2.10 This Licence does not allow You to claim any endorsement or approval by the Licensor or the Original Author of You or your use of the Resource without their express written permission.

3. Warranties and Disclaimer

The Resource is licensed by the Licensor "as is" and without any warranty of any kind, either express or implied, whether of title, of accuracy, of fitness for purpose, or otherwise.

4. Limit of Liability

Subject to any liability which may not be excluded or limited by law, the Licensor shall not be liable for, and expressly excludes, all liability for loss or damage however and whenever caused to anyone by any Use under this Licence, whether by You or by anyone else, and whether caused by any fault on the part of the Licensor or not. If liability may not be excluded by law, it is limited to actual and direct financial loss to the extent it is caused by proved gross negligence on the part of the Licensor.

5. Termination

5.1 Any breach by You of the terms of this licence (for example, by distributing the Resource without attributing as appropriate) entitles the Licensor to terminate your Licence with immediate effect and without notice to you. Persons who have received the Resource, Derivatives or Collective Works from You under this Licence, however, will not have their licences terminated provided their use is in full compliance with this Licence or a licence granted under clauses 2.6 or 2.7 of this Licence.

5.2 If You are not in breach of the terms of this licence, the Licensor may not terminate your rights under it.

5.3 Unless terminated under clause 5.1, this Licence is granted to you for the duration of any rights in the Resource as mentioned in clause 2.1.

6. General

6.1 If any provision of this Licence is held to be invalid or unenforceable, that shall not affect the validity or enforceability of the remainder of the terms of this Licence.

6.2 This Licence is the entire agreement between the parties with respect to the Resource licensed here but hereby allows for additional agreements that grant more rights than this License. It replaces any earlier understandings, agreements or representations with respect to the Resource not specified here.

6.3 If You are in breach of the terms of this Licence (for example, by distributing the Resource without attributing as appropriate) you will not be entitled to rely on the terms of this Licence or to complain of any breach by the Licensor.

6.4 If there is any dispute as to the meaning or effect of any provision of this Licence, it must so far as possible be read and given effect in a way that is compatible

with the provisions of any subsequent version of the META-SHARE Commons licence, which has the same Licence Elements.

6.5 As far as arbitration processes have been established within META-SHARE, any dispute arising in connection with this Licence or the Resource has to adhere to these processes before being filed at public justice bodies.
